Overhang	300 mm (4 platform sides)
Compatibility	Powergame+™ platform exclusively
Finishes	Dark Grey · HD Print
UV resistance	EN ISO 20105-A02 ≥ 3
Slip resistance	EN 13036-4 : 80–110
Configurations	10 references (1 to 10 mats)
Required condition	Powergame+™ platform mandatory

INSTALLATION & USE

- 1 Install the platform**
Assemble the Powergame+™ platform (see dedicated sheet) on a stable, flat surface.
- 2 Place Mat 2.0 mats**
Lay mats on the platform. Orient the connector. Connect the cables.
- 3 Deploy the cover**
Spread the protection mat over the entire setup. Check 300 mm overhang.
- 4 Check the installation**
The protection mat is held by its own weight — no mechanical fixation needed.
